AND RESTRICTIONS

The following covenants and restrictions shall apply to the Property and shall be in addition to all those covenants and restrictions set forth in the Original Declaration of Covenants.

Section 1: Home Construction. To maintain the aesthetics of the subdivision and the Property, no mobile or modular home shall be constructed on the Property which is the subject of this Declaration of Covenants. Any home constructed on the property shall be "stick built" and shall have at least 1200 square feet of living space. There shall be no more than two stories to any structure constructed on the property and the structure shall not exceed 30 feet in height. Any home constructed on the property shall have an attached garage, which may be attached by a breezeway. The exterior of any structure shall be painted (as appropriate) and maintained so as not to deplete the property values of the surrounding lots. Storage sheds which are constructed and painted to match the exterior of the home are allowed provided that they are sided, bricked, stuccoed or painted so as to have a uniform appearance with the home.

ARTICLE II
GENERAL PROVISIONS

Section 1: Breach and Enforcement. This Declaration of Covenants may be enforced by Capital Land Development, LLC, any owner within the Lakeland Hills Subdivision, any owner of any lot within the Property or any Owners Association established by the homeowners owning property within any Phase of the Lakeland Hills Subdivision. Each such individual and entity shall have the individual and collective right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration of Covenants.

The result of every act or omission whereby any of the covenants or restrictions contained in this Declaration of Covenants are violated in whole or in part is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance, either public or private, shall be applicable against every such result and may be exercised by any individual or entity described herein, or their successors in interest.

The remedies herein provided for the breach of any covenant contained in this Declaration of Covenants shall be deemed cumulative and not exclusive. Failure by any individual or entity to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2: Severability. Invalidation of any one or more of the covenants or restrictions contained herein by judgment or court order shall not affect any other provisions contained herein.

Section 3: Binding Effect. This Declaration of Covenants shall run with and bind the Property and all owners of the property, their heirs, successors and assigns.

Thereafter, this Declaration of Covenants may be amended at any time by a vote of two thirds (2/3) of the Property owners by signing a document amending the same.

Section 5: Interpretation. The provisions of this Declaration of Covenants shall be interpreted as creating additional covenants and restrictions only upon the Property described herein are not intended, and shall in no way be interpreted, as an amendment to the Original Declaration of Covenants. Should any provision contained within this Declaration of Covenants conflict with any provision contained within the Original Declaration of Covenants, the provisions of the most restrictive Declaration shall control.
