COVENANT FOR MAINTENANCE ASSESSMENTS**

Section 1 - CREATION OF THE LIEN AND PERSONAL OBLIGATIONS FOR ASSESSMENTS. The DECLARANT, for each lot owned within the properties, covenants, and each Owner of any lot by acceptance of a deed, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual or more frequent if necessary for operating reasons, assessments or charges, and (2) special assessments, together with interest, cost, and reasonable attorney's fees, which shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2 - PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively to promote the recreation health, safety, and welfare of the residents in the properties and for the maintenance, preservation, replacement and operation of the area, and Association costs.

Section 3 - MAXIMUM ANNUAL ASSESSMENT. Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum equal assessment shall be Six Hundred Dollars (\$600.00) per year per occupied lot at a rate of Fifty Dollars (\$50.00) per month. The DECLARANT shall be responsible for the remaining amount of the yearly costs until eighty percent (80%) of the lots are sold at which time all lots not owned by DECLARANTS will be assessed on an equal basis to pay the yearly costs. DECLARANT does not pay annual or special assessments on a per lot basis and will not pay on the yearly costs once eighty percent (80%) of the lots are sold.

- a. From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership.
- b. From and after January 1 of the year immediately following the conveyance on the first lot to an owner, the maximum annual assessment may be increased above ten percent (10%) by a vote of two-thirds (2/3) of the members who are voting in person by proxy, at a meeting duly called for this purpose.

Section 4 - WATER ASSESSMENT. In addition to the annual assessment authorized in Article XXII Section 3 above, the Association may levy an assessment for actual metered water usage for ordinary and customary rural residential usage at the same rate assessed by the City of Gillette, Wyoming, for the applicable assessment period. The Association further reserves the right to assess additionally for excess water usage, to be determined in the sole discretion of the Association.

Section 5 - SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon said and, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6 - NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTION 3.4, AND 5: Written notice of any meeting called for the purpose of taking any action authorized under Sections 3.4, and 5 shall be sent to all members not less than fifteen (15) days nor more than forty-five (45) days in advance of the meeting. A quorum shall be 51% of all members with said percentage to be made up of people attending in person and those voting by proxy.

Section 7- RATE OF ASSESSMENT: Annual, water and special assessments must be fixed at uniform rates for all lots not owned by DECLARANT and may be collected on a monthly basis.

Section 8 - DATE OF COMMENCEMENT OF ASSESSMENT DUE DATES: The assessments provided for shall commence as to each lot on the first day of the month following the conveyance of such lot by DECLARANT. The Board of Directors shall fix the amount of the assessments against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the assessments shall be sent to every owner. The due dates and collection methods shall be established by the Board of Directors, and unless otherwise provided, the Association of its assigns shall collect each month for the owner of each lot one-twelfth (1/12) of the annual assessments for such lot. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of Association setting forth whether the assessments on a specified lot have been paid. Such certificates shall be conclusive evidence of payment of any assessment stating to have been paid.

Section 9 - EFFECT OF NONPAYMENT OF ASSESSMENTS - REMEDIES OF THE ASSOCIATION:

- a. Delinquency: Any assessment provided for in this Declaration, which is not paid when due, shall be delinquent. With respect to each assessment not paid within fifteen (15) days after its due date, the Association may, at its election require the owner to pay a "late charge" in a sum to be determined by the Association, but not to exceed \$10.00 per each delinquent assessment, plus interest at the rate of ten percent (10%) per annum on such assessment.

- b. Creation of Lien: The amount of all delinquent assessments plus interest and any expenses reasonably incurred in collecting and or enforcing such assessments, including reasonable attorney's fees, shall be and become a lien upon the lot so assessed, which shall attach to the lot as of the time the Association caused to be recorded in the office of the County Clerk of Campbell County, Wyoming, a Notice of Assessment Lien, which shall state:
- i. The amount of the delinquent assessment and such related charges, as may be authorized by this Declaration.
  - ii. The name of the owner of record or reputed owner of the lot;
  - iii. A description of the lot against which the lien has been assessed.

Two officers of the Association shall sign the notice. The assessment lien shall also be deemed to secure all to the foregoing items which shall become due and or incurred relative to the lot after the recordation of the Notice of Assessment Lien until the completion of the enforcement of the lien or the payment of the full amount secured by the lien, or other satisfaction to be made in connection. No proceeding or action shall be instituted to foreclose the lien until the notice of intention to proceed to foreclose the lien has been delivered by the Association to the owner of the lot affected by the lien at least thirty (30) days prior to the commencement of any such action or proceeding. The assessment lien may be enforced by judicial foreclosure, provided, however, that said method of enforcement shall not be exclusive, but shall be in addition to any other rights or remedies which the owners or the Association may have by law or otherwise. The Association shall also have the right to bid at any such foreclosure sale and to hold, lease, mortgage, and convey such lot upon its purchase. Upon repayment of the full amount secured by an assessment lien, including all authorized charges in accordance with the foregoing, or upon any other satisfaction duly made, the Association shall cause to be recorded a notice setting forth the fact of such payment and or satisfaction and of the release of the assessment lien. Any assessment lien as to any lot shall at all times be subject and subordinate to any mortgage or deed of trust on the lots which is created in good faith and for value and which is recorded prior to the date of recordation of the assessment lien. In the event any assessment lien is destroyed by reason of the foreclosure of any prior mortgage or deed of trust on a lot, the interest in the lot of the purchaser at the foreclosure sale may be subjected to a lien to secure assessments levied on the lot in the same manner as provided in this Article.

c. Curing the Default: Upon the timely curing of the default for which a notice of claims or lien was filed by the Association, the officers of the Association are authorized to file or record, as the case may be, an appropriate release of such notice upon payment of the defaulting owner, of a fee to be determined by the association, but not to exceed Fifty Dollars (\$50.00) to cover the costs of preparing and filing or recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

d. Cumulative Remedies: The assessment lien and the rights to judicial foreclosure shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have in these covenants and by law, including, a suit to

recover a money judgment for unpaid assessments, as above provided.

e. Mortgage Protection Clause: No breach of the covenants, conditions, or restrictions, nor any lien so created, shall defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value, but all of said covenants, conditions, and restrictions shall be binding upon and effective against the owner whose title is deprived through foreclosure of trustee's sale, or otherwise.

Section 10 - SUBORDINATION OF THE LIEN TO MORTGAGES: The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. The sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding shall extinguish the lien of such assessments as to the payments, which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments becoming due or from the lien.

Section 11 - INSURANCE ASSESSMENTS: The board of Directors, or its duly authorized agent, shall have the authority to and shall obtain insurance for the improvements subject to the jurisdiction of the Association, excepting of course, individually owned residences and other structures against loss or damage by any hazard in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction for any hazard, and shall also obtain a broad form public liability policy covering all Common Areas, if any, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses.

In the event of damage or destruction by any casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, with concurrence of the mortgages, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good conditions as existed formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids with any licensed contractors, and then may negotiate with any contractor who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed improvements. In the event the insurance proceeds are insufficient to pay all the costs of repairing and or rebuilding to the same condition as formerly, the Board of Directors shall levy a special assessment against all owners in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained to make up any deficiency. In the event such insurance proceeds exceed the cost of repair and reconstruction such excess shall be paid over to the owners in such proportions as the Board of Directors deem fair and equitable.

**ARTICLE XXIII  
OFFICERS AND MANAGEMENT COMMITTEE**

The Board of Directors may in its discretion appoint officers and a Management Committee composed of three (3) or more representatives, comprised of one (1) Board member and two (2) owners to supervise the management, maintenance, preservation, and use of the Common Area and related facilities.

**ARTICLE XXIV  
MISCELLANEOUS PROVISIONS**

1. Severability. In the event a court of competent jurisdiction declares any portion of these Covenants to be invalid or unenforceable, the remaining provisions of these Covenants shall remain in effect.

2. Effect and Duration. These Covenants shall run with the Land and shall be for the benefit of and binding on each Lot Owner, and their respective heirs, assigns, agents, invitees, social guests, and successors in interest and shall continue to be of full force and effect perpetually unless these Covenants are terminated pursuant to the laws of the State of Wyoming.

3. Amendments. These Covenants may be amended by a vote of eighty percent (80%) or more of the Lot Owners, calculated by percentage owned of the area, using the Land as one hundred percent (100%).

4. Enforcement. The Association, or any Lot Owner may institute proceedings at law or in equity to enforce all covenants now or hereinafter imposed by the provisions of these Declarations, to restrain any individual or entity from violating or threatening to violate these Covenants, to recover damages, both actual and punitive, for such violations, and shall be entitled to collect all reasonable attorney's fees and collection costs incurred in the successful enforcement of these Covenants. Failure to enforce any Covenant herein contained shall in no event be deemed a waiver of the right to do so. Such failure shall not prevent the lot owner(s) from enforcing any subsequent covenant violation.

5. Attorney Fees. Any expense reasonably incurred in collecting and/or enforcing any of the above covenants, which shall include reasonable attorney's fees paid by the Association or other Lot Owners shall be paid by the Lot Owner against whom the covenants have been successfully enforced.

IN WITNESS WHEREOF, the undersigned, being the Declarants herein, have hereunto set their hands this 24<sup>th</sup> day of August, 2007.
