If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the meeting. No such subsequent meeting shall lld more than sixty(60)days

following the preceding meeting.

Section 6: RATE OF ASSESSMENT: Both annual and special assessments must be fixed at uniform rate for all Class A Lots, and Class B Lots, provided, however, that the assessments on all Class B Lots shall be fixed at twenty-five (25%) of the amount of the assessments upon all Class A Lots and may be collected on a monthly basis.

Section 7. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS.
DUE DATES: The annual assessments provided for herein shall commence as to each Lot on the first day of the month following the conveyance of such Lot by DECLARANT. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors, and, unless otherwise provided, the Association or its assigns shall collect each month from the owner of each Lot one-twelfth (1/12) of the annual assessment for such Lot. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot have been paid. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8: EFFECT OF NONPAYMENT OF ASSESSMENT - REMEDIES OF THE ASSOCIATION.

(a) Delinquency: Any assessment provided for in this Declaration, which is not paid when due, shall be delinquent. With respect to each assessment not paid within fifteen (15) days after its due date, the Association may, at its election, require the Owner to pay a "late charge" in a sum to be determined by the Association, but not to exceed \$10.00 per each delinquent assessment, plus interest at the rate of ten percent (10%) per annum on such assessment.

(b) Creation of Lien: The amount of all delinquent regular and special assessment plus interest thereon and any expense reasonably incurred in collecting and/or enforcing such assessments, including reasonable attorney's fees, shall be and become a lien upon the lot so assessed, which shall attach to the lot as of the time the Association causes to be recorded in the office of the County Clerk of Campbell County, Wyoming, a Notice of Assessment Lien, which shall state:

- i. the amount of the delinquent assessment and such related charges as may be authorized by this Declaration;
- ii. the name of the Owner of record or reputed Owner of the lot;
- iii. a description of the lot against which the lien has been assessed.

The Notice shall be signed by two officers of the Association. The assessment lien shall also be deemed to secure all of the foregoing items which shall become due and/or incurred relative to the lot after the recordation of the Notice of Assessment Lien until the completion of the enforcement of the lien or the payment of the full amount secured by the lien, or other satisfaction to be made in connection therewith. No proceeding or action shall be instituted foreclose the lien until notice of intention to proceed to foreclose the lien has been delivered by the Association to the Owner of the lot affected by the lien at least thirty (30) days prior to the commencement of any such action or proceeding. The assessment lien may be enforced by judicial foreclosure; provided, however, that said method of enforcement shall not be exclusive but shall be in addition to any other rights or remedies which the Owner or the Association may have by law or otherwise. The Association shall also have the right to bid at any such foreclosure sale and to hold, lease, mortgage and convey such lot upon its purchase. Upon payment of the full amount secured by an

assessment lien, including all authorized charges in accordance with the foregoing, or upon any other satisfaction duly made in connection therewith, the Association shall cause to be recorded a notice setting forth the fact of such payment and/or satisfaction and of the release of the assessment lien. Any assessment lien as to any lot shall at all times be subject and subordinate to any mortgage or deed of trust on the lots which is created in good faith and for value and which is recorded prior to the date of recordation of the assessment lien. In the event any assessment lien is destroyed by reason of the foreclosure of any prior mortgage or deed of trust on a lot, the interest in the lot of the purchaser at the foreclosure sale may be subjected to a lien to secure assessments levied on the lot in the same manner as provided above in this Article.

c. Curing of Default: Upon the timely curing of any default for which a notice of claims or lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment of the defaulting Owner, of a fee to be determined by the Association, but not to exceed Fifteen Dollars (\$15.00) to cover the costs of preparing and filing or recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

d. Cumulative Remedies: The assessment lien and the rights to judicial foreclosure thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

e. Mortgage Protection Clause: No breach of the covenants, conditions or restrictions herein contained, nor any lien created hereby, shall defeat or render invalid the lien of any

mortgage or deed of trust made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against the Owner whose title is deprived through foreclosure of trustee's sale, or otherwise.

Section 9. SUBORDINATION OF THE LIEN TO MORTGAGES:

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. The sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall release such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. INSURANCE ASSESSMENTS: The Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain insurance for the buildings and improvements subject to the jurisdiction of the Association, excepting of course individually owned residences and other structures, against loss or damage by fire or other hazards in an amount sufficient to cover the full replacements cost of any repair or construction work in the event of damage or destruction from any hazard, and shall also obtain a board form public liability policy covering all Common Area, if any, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition

as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the proviso agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids with any licensed contractors, and then any negotiate with any contractor who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed building, buildings, or other improvements. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding the same condition as formerly, the Board of Directors shall levy a special assessment against all owners in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained to make up any deficiency. In the event such insurance proceeds exceed the cost of repair and construction, such excess shall be paid over to the owners in such proportions as the Board of Directors deem fair and equitable.

ARTICLE VII

The Board of Directors may in its discretion appoint a Management Committee composed of three (3) or more representatives, one (1) Board member and two (2) owners to supervise the management of the maintenance, preservation and use of the utilities, Common Area, if any, and related facilities described hereto.

ARTICLE VIII

CAMPBELL COUNTY COMMISSIONERS

Pursuant to the Subdivision Regulation of Campbell County, Wyoming, in the event the Association shall fail to maintain the common facility in a reasonable order and condition in accordance with the original plan submitted with the final subdivision plat, the Board of County Commissioners shall serve

written notice upon such organization or upon residents involved, setting forth the manner in which the Association has failed to maintain the facility in a reasonable condition, and said notice shall include a demand that such deficiencies of maintenance be corrected within thirty (30) days thereof, which shall be held within fourteen (14) days of the notice. At such hearing, the County may modify the terms of its original notice as to the deficiencies, and may give an extension of time within which they shall be corrected. If the deficiencies set forth in the original notice or in the modifications thereof are not corrected within said thirty (30) days or any extension thereof, the County, in order to preserve the taxable values of the property contained within the subdivision, and to prevent the common facilities from becoming a public nuisance and public liability, may undertake to maintain the same for a period of one (1) year. Before the expiration of said year, the County, upon its initiative or upon the written request of the Association therefore responsible for the maintenance of the common facility, call a public hearing upon notice to such Association and to the residents involved, to be held by the Board of County Commissioners, at which hearing such Association and/or the residents shall show cause why such maintenance by the County shall not, at the election of the county, continue for a succeeding year. If the Board of County Commissioners shall determine that such Association is ready and able to maintain said common facility in a reasonable condition, the county shall cease to maintain said Common facility at the end of said year.

The cost of such maintenance by the County shall be paid by the owners of the properties within the subdivision that have a right to enjoyment or use of the common facility involved and any unpaid assessments shall become a tax lien in the office of the County Clerk upon the property affected by such lien within the subdivision, and shall certify such unpaid assessments to the County Treasurer for collection,

enforcement and remittance of general property taxes in the manner provided by law.

The Association may not be dissolved without the prior permission of the Board of County Commissioners.

ARTICLE IX
