#### ARTICLE IV

##### COVENANT FOR MAINTENANCE ASSESSMENTS

SECTION (1)(a) Maintenance: It is anticipated that residential dwelling units will be constructed on various lots within the project's property and that the ownership of individual units shall be evidenced by a deed of a lot together with the improvements thereon constituting a "house". Maintenance, upkeep and repairs of individual houses shall be the sole responsibility of the individual owners thereof and not in any manner the responsibility of the Board of Directors except as to the exterior and as to the yards as described hereinafter in this sub-paragraph and other related sub-paragraphs. In this connection, any residential lot which does not have an approved wall or fence enclosing the yard shall be maintained by the Association as part of the total Association expense. This special individual partial lot maintenance provision shall not apply, however, in any event to planting inside of the family residence, and will pertain to the maintenance of the said lot area as originally landscaped. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of the property shall be taken by the Board of Directors or by its duly delegated representative. The powers, rights and duties of the Association and Board of Directors shall be as contained in this Declaration, and as may be adopted in its Articles and Bylaws not inconsistent herewith.

SECTION (1)(b) The Association, or its duly delegated representative, shall maintain and otherwise manage all property up to the enclosed portion lines of lots, including, but not limited to the landscaping, and ground keeping of the above-described lots, and such additional maintenance of the property as the Board of Directors shall from time to time determine to be in the best interest of the Association and the co-owners and shall maintain and otherwise manage the above-described property. The Board of Directors shall use a reasonably high standard of care in providing for the repair, management and maintenance of said property, so that said housing project will reflect a high pride of ownership.

SECTION 2. AGREEMENT TO PAY ASSESSMENTS: The DECLARANT as

owner of the above described properties, hereby covenants, and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association: (1) Annual Assessments or charges, and (2) special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due, but such personal obligation and liability of the "owner" shall not be deemed to limit or discharge the charge on the land and continuing lien upon the property against which such assessment is made.

SECTION 3. PURPOSE OF ASSESSMENTS: The assessments levied by the

Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the properties and in particular for the improvement and maintenance of the properties related to the use and enjoyment of the houses situated upon the properties.

SECTION 4. ESTABLISHMENT, BASIS AND MAXIMUM OF ASSESSMENTS:

DECLARANT and the owner of each such lots, for themselves, their heirs, successors and signs, further covenant that each such house shall be subject to an assessment in an amount to be determined by the Association in the following manner:

- (a) Such house unit's pro rata share of the actual cost to the Association of all taxes, repair, construction, replacement and maintenance of the house units as may from time to time be authorized by the Board of Directors, and other facilities and activities including, but not limited to, mowing grass, caring for the grounds, sprinkler system, and other charges required by this Declaration of Covenants, Conditions and Restrictions; Such total Association cost would include the maintenance of those yard areas referred to hereinbefore wherein there were no walls or approved fences enclosing the yard areas, with such Association maintenance limited to the maintenance of such yard areas in accordance with the original landscaping and fencing.
- (b) Such house unit's pro rata share of such sum as the Board of Directors of the Association shall determine to be fair and prudent for the establishment and maintenance of a reserve for repair, maintenance, and other charges as specified herein, including fire and other hazard insurance premiums as hereinafter provided, and a liability insurance policy in the face amount of not

less than \$500,000.00, which policy, in addition to public liability shall cover repair and construction work to all of the assets and property owned by or to be maintained by the Association. The disposition of liability insurance proceeds shall be made upon majority vote of the Board of Directors, but in all events shall be used to and for the purpose of the Association;

- (c) Such house unit's pro rata share of such additional sum as the Board of Directors of the Association shall determine to be necessary to meet the primary purposes of the Association;
- (d) Each house unit's pro rata share shall be determined based upon the total number of house units that exist at a particular time. A house unit shall exist for purposes of the calculation if a certificate of occupancy has been issued or if the house unit qualifies for the issuance of such a certificate of occupancy by the city of Gillette.
- (e) The amount to be pro-rated among the members of the Association pursuant to sub-paragraphs (a), (b), (c), (d), and (e) above shall be established annually by the Board of Directors.
- (f) An annual report shall be prepared by such party as the Board of Directors shall order. The exact date for the annual report shall be determined by the Board of Directors. The Board of Directors shall meet with the management corporation or other party preparing said report within forty (40) days following the preparation of same to discuss and set the rate for the current year.
- (g) At the time that the house unit is deemed to exist and from time to time thereafter, the Board of Directors, or the designated representative, shall notify the owner, or owners, of each house unit as to the amount of the estimated annual assessment and shall each month collect for each house unit, one-twelfth (1/12th) of said house unit's proportional share of said annual assessment.
- (h) Until the end of the first fiscal year immediately following the date at which a house unit is deemed to exist, the maximum monthly assessment shall be determined by the Association from time to time. From and after the end of said first fiscal year, the maximum monthly assessment may be increased thereafter, effective the first day following the end of each fiscal year, by a majority vote of the owners as provided for hereinafter for such annual assessment determination.

SECTION 5. SPECIAL ASSESSMENTS: In addition to any other assessments authorized by this Declaration, the Association's Board of Directors shall have the right and power to provide for the construction of additional recreational and other common facilities, or the alteration, demolition or removal of existing recreational and other common facilities, from time to time, as in their discretion appears to be in the best interests of the Association and the house project. Any such alteration, demolition, removal, construction, improvements or additions, or charges for maintenance or services, increasing the owners' annual assessment over the then maximum limitation, shall be authorized by an affirmative vote of three-fourths (3/4) of the Board of Directors at a duly called meeting at which a quorum is

present, and ratified and approved by the affirmative vote of sixty-six percent (66%) of the members present.

For purposes of this Section 5, the presence at a duly called meeting of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called by sending written notice to all members not less than thirty (30) days not more than sixty (60) days in advance of the meeting, setting forth the purpose of the meeting, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. UNIFORM RATE OF ASSESSMENT: Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis.

SECTION 7. EFFECT OF NONPAYMENT OF ASSESSMENTS AND REMEDIES OF THE ASSOCIATION: Each house owner, for himself, his heirs, successors, grantees and assigns, covenants that with respect to charges so determined during the period that he is an owner, he will remit these charges directly to the management corporation, or to such other party, or parties, as directed by the Association's Board of Directors.

Any Assessments which are not paid when due shall be delinquent. Each house owner further agrees that these charges, if not paid within twenty (20) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum and shall become a lien on the lot, junior to the lien created by any prior recorded mortgage.

Each such owner expressly vests in the MANOR ESTATES HOME OWNERS ASSOCIATION, or its agents, the right and power to bring all actions and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage of real property, and such owner hereby expressly grants to the Association and shall be for the benefit of all other house owners. The Association, acting on behalf of the unit owners, shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. In the event any person,

corporation or association authorized to enforce the provisions of the Declaration employs an attorney, or attorneys, to enforce said lien or the collection of any amounts due pursuant to this Declaration, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, the owner, owners, and parties against whom the action is brought shall pay all attorney's fees and costs thereby incurred by said enforcing party in the event said enforcing party prevails in any such action.

No owner of a house may exempt himself from liability for his contribution towards the common expenses by waiver of the use or enjoyment of any of the common elements or by the abandonment of his house unit or by intentional delaying issuance of or qualification for a certificate of occupancy.

## ARTICLE V

### PARTY WALLS

The rights and duties of the owners of houses within this housing project with respect to party walls shall be governed by the following in the event that there would be any party walls constructed in any parts of the said Manor Estates Subdivision:

- (a) Each wall, including patio walls, which is constructed as a part of the original construction of the house structure, any part of which is placed on the dividing line between separate house units, shall constitute a party wall. With respect to any such wall, each of the adjoining owners shall assume the burdens and be entitled to the benefits of these restrictive covenants, and to the extent not inconsistent herewith, the general rules of law regarding party walls shall be applied thereto.
- (b) In the event any such party wall is damaged or destroyed through the act of one adjoining owner, or any of his guests, tenants, licensees, agents or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining owner of the full use and enjoyment of such wall, then the first of such owners shall forthwith proceed to rebuild and repair the same to as good condition as formerly without cost to the adjoining owner.
- (c) In the event any such part wall is damaged or destroyed by some cause other than the act of one of the adjoining owners, his agents, tenants, licensees, guests or family (including ordinary wear and tear and deterioration from lapse of time), then in such event both such adjoining owners shall forthwith proceed to rebuild and repair the same to as good condition as formerly at their joint expense.
- (d) Notwithstanding any other provision of this article, an owner who by his negligent or willful act causes any party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.
- (e) The right of any owner to contribution from any other owner under this article shall be appurtenant to the land and shall pass to such owner's successors in title.

- (f) In addition to meeting the other requirements of these restrictive covenants and of any building code or similar regulations or ordinances, any owner posing to modify, make additions to, or rebuild his house in any manner which requires the extension or other alteration of any party wall shall first obtain the written consent of the adjoining owner.
- (g) In the event of a dispute between owners with respect to the repair or rebuilding of a party wall, or with respect to the sharing of the cost thereof, then upon written request of one of such owners addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association. If no such rules have been adopted, then the matter shall be submitted to three arbitrators, one chosen by each of the owners and the third by the two so chosen. A determination of the matter signed by any two of the three arbitrators shall be binding upon the owners, who shall share the cost of arbitration equally. In the event one party fails to choose an arbitrator within ten (10) days after receipt of a request in writing for arbitration from the other party, then said other party shall have the right and power to choose both arbitrators.
- (h) These covenants shall be binding upon the heirs and assigns of any owners.

## ARTICLE VI

### ARCHITECTURAL REVIEW COMMITTEE

The Committee. There is hereby established an Architectural Review Committee consisting of three (3) members all of whom shall be appointed by the DECLARANT. The aforesaid members of the Architectural Review Committee shall serve at the pleasure of the DECLARANT. The vote of a majority of the members shall constitute the action of the Architectural Review Committee.

No improvements shall be constructed, erected, placed, altered, maintained or permitted on any of the Property nor shall any construction or excavation whatsoever be commenced or materials, equipment, or construction vehicles be placed on any lot until plans and specifications with respect thereto in manner and form satisfactory to the Architectural Review Committee showing the proposed improvements, site location of such improvements, complete building plans and material specifications and all exterior elevations, materials and colors, landscaping, grading, easements and utilities and such other information as may be requested by said Committee have been submitted to and approved in writing by the Architectural Review Committee. The Architectural Review Committee shall have the right to charge persons submitting such plans a reasonable fee for reviewing each application.

Approval shall be based among other things on conformity and harmony of exterior design, colors and material with neighboring structures, relation of the proposed

improvements to the natural topography, grade and finish elevation of the structure to that of the neighboring structures and natural features of the property and conformity of the plans and specifications to the purpose and general plan and intent of these restrictions. The Architectural Review Committee shall have the right to require an improved landscaping plan. The Architectural Review Committee shall not arbitrarily or unreasonably withhold its approval of such plans and specifications.

If the Architectural Review Committee fails either to approve or disapprove such plans and specifications (including resubmission of disapproved plans and specifications which have been revised) within twenty (20) days after the same have been submitted to it (provided that all required information has been submitted) it shall be conclusively presumed that said plans and specifications have been approved, subject, however, to the restrictions contained in Article V hereof. The Architectural Review Committee shall notify the Owner in writing within ten (10) days after receipt of plans and specifications if additional information is needed, and the aforesaid twenty (20) day period shall commence on the date of said notification, and if no notification is given the twenty (20) day period shall commence on the eleventh (11th) day after receipt of plans and specifications.

Neither the Architectural Review Committee nor the DECLARANT shall be liable in damages to anyone submitting plans to them for approval or to any Owner by reason of a mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve such plans and specifications. Every Owner or other person who submits plans to the Architectural Review Committee for approval agrees by submission of such plans and specifications that he will not bring any action or suit against the Architectural Review Committee or the DECLARANT to recover any such damages. Approval by the Architectural Review Committee or the DECLARANT shall not be deemed to constitute that the plans comply with the requirements of any local building codes and it shall be the responsibility of the Owner or other persons submitting the plans to the Architectural Review Committee to comply therewith.

Until December 31, 1995, unless voluntarily relinquished at an earlier date, the DECLARANT in its own name and on behalf of the Architectural Review Committee shall have the right to enforce these covenants, conditions and restrictions. Additionally, until the date aforesaid, at the request of the DECLARANT or at the request of the Architectural

Review Committee at any time of the duration of these covenants the Association shall have the right to enforce these covenants. DECLARANT reserves the right to transfer at any time its duties or responsibilities of the Architectural Review Committee pursuant to these covenants to the Association whereupon said Association shall have the right and the duty to enforce these covenants and to restrain any violation hereof.

Variances. Where circumstances such as topography, hardship, location of property lines, location of trees, brush, streams or other matter require the Architectural Review Committee may by an affirmative vote of the majority of the members of said Committee allow a reasonable variance as to any of the covenants and restrictions contained in this instrument on such terms and conditions as it shall require. The Architectural Review Committee shall develop a design review standard which shall govern their actions in respect to granting any variances. The design review standard will be maintained in a documentary form and will detail every variance granted and the reasons for granting same.

Books and Records. The Architectural Review Committee shall keep and safeguard a complete written record of all applications approved and submitted to it and all actions taken by it under the provisions of the DECLARATION. Said records shall be maintained for a minimum of five (5) years after approval or disapproval.

## ARTICLE VII

### EXTERIOR MAINTENANCE

SECTION (1)(a). The Association, or its duly delegated representative, shall maintain and otherwise manage all property, including but not limited to, the landscaping, parking areas, common elements, and such additional maintenance as the Board of Directors shall from time to time determine to be in the best interest of the Association and the co-owners. Lawn area and/or plants and shrubs that are installed by the developer or subsequently by the Association, between the lot line and the house shall be maintained by the Association, provided the yard is not enclosed with an approved fence. Maintenance and repair of the exterior of the individual house units, including roof (excluding windows, doors, and garage doors) shall be the obligation and expense of the Association. In these matters it is understood that the Association would maintain the yard for lots as defined in subsection (1)(a) above, wherein there is no wall enclosing the yard areas on any lot as the Association would, in such instance, maintain the said real yard area as originally landscaped.

SECTION (1)(b). In the event that the need for maintenance or repair is caused through the willful or negligent act of the owner, his family, guests or invitees, the cost of such maintenance or repairs to his house and lot shall be added to and become a part of the assessment to which such lot is subject.

## ARTICLE VIII

### INTERIOR AND OTHER MAINTENANCE

SECTION 1. Each owner shall be responsible for the upkeep and maintenance of the interior of his house and for the upkeep and maintenance of all other areas, features or parts of his house and property not otherwise maintained by the Association. All fixtures and equipment installed within a house unit, commencing at the lot line, shall be maintained and kept in repair by the owner thereof. Termite control shall be the responsibility of the owner. An owner shall do no act nor any work that will impair any easement hereditament, nor do any act nor allow any condition to exist which will adversely affect the other house units or their owners. In the event the Board of Directors of the Association determine that any owner was not properly repairing and keeping the said residential premises in such condition as reflecting the intention of this subsection, then in such event after fifteen (15) days written notice by the Association to said lot owner, may they perform such necessary maintenance or repairs on a special assessment basis to be charged to the individual lot owner for the actual cost of such repairs or maintenance so performed by the Association.

## ARTICLE IX

### DAMAGE OR DESTRUCTION OF PROPERTY

In the event any house is damaged or destroyed by an owner or any of his guests, tenants, licensees, agents, or members of his family, such owner shall, with the thirty (30) days from the date of occurrence and any damage to adjacent houses or property in a good workmanlike manner in conformance with the original plans and specifications used in the construction of said houses. In the event such owner refuses or fails to so repair and rebuild any and all such damage to the exterior of the house and adjacent property within said thirty (30) day period, the Association, by and through its Board of Directors, is hereby irrevocably authorized in its discretion by such owner to repair and rebuild any such house and/or adjacent property in a good workmanlike manner, in conformance with the original plans

and specifications of the houses. The owner shall then repay the Association in the amount actually expended for such repairs.

Each house owner further agrees that these charges for repairs, if not paid within ten (10) days after completion of the work, shall be delinquent and shall become a lien upon said owner's lot and house and shall continue to be such lien until fully paid. Said charges shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum. The amount of principal and interest owed by said owner to the Association shall be a debt and shall be collectible by any lawful procedure allowed by the laws of the State of Wyoming.

Each such owner, by his acceptance of a deed to a lot and house, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such owner for the collection of such charges and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including those specified in Article IV, Section 4 sub-paragraphs (a), (b), (c), (d) and (e) above, and such owner hereby expressly grants to the Association a power of sale in connection with said lien.

Nothing contained in this ARTICLE IX shall be construed in any way so as to relieve any insurance company from the payment of any and all amounts which would be payable under any policy, or policies, had not this Article been inserted.

In the event of a dispute between an owner and the Board of Directors with respect to the cause of damage or the extent of repairs necessitated or with respect to the cost thereof, then upon written request of the owner, addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association or its Board of Directors. If no such rules have been adopted, then the matter shall be submitted to three arbitrators, one chosen by the Board of Directors, one chosen by the owner, and these two arbitrators shall then choose a third arbitrator. If the two arbitrators cannot agree as to the selection of the third arbitrator. A determination by any two of the three arbitrators shall be binding upon the owner and the Association, who shall share the cost of arbitration equally. In the event one party fails to choose an arbitrator within ten (10) days after receipt of a request in writing for arbitration from the other party, then said other party shall have the right and power to choose both arbitrators.

## ARTICLE X

### INSURANCE

The Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain casualty insurance and insurance for public liability policy covering all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses. All such insurance coverage obtained by the Board of Directors shall be written in the name of MANOR ESTATES HOME OWNERS ASSOCIATION. If owner elects to obtain additional insurance, such insurance may be written in the name of the individual owners.

## ARTICLE XI

### USE RESTRICTIONS

SECTION 1. Each lot in the premises shall be known as, and limited in use, to a single family house lot and construction thereon shall be limited to a house no more than two stories in height. SECTION 3. No domestic animals totaling more than two (2) generally recognized house or yard pets may be maintained on any lot. No animals maintained on the premises shall be larger than twenty (20) pounds in weight. All such pets shall at all times be kept under control by their owners while anywhere on the property. Animals shall not be

This restriction shall apply to the service and utility lines for each and every lot and the common areas, as well as to the distribution lines located in the streets or elsewhere in the subdivision. However, the foregoing shall not prohibit service pedestals and aboveground switch cabinets and transformers, where required.

SECTION 6. Except in the individual patio areas , no planting or gardening shall be done. No hedges or walls shall be erected or maintained upon said premises except such as are installed in accordance with the original construction of the buildings located thereon or as approved by the Architectural Review Committee of MANOR ESTATES HOME OWNERS ASSOCIATION.

SECTION 7. Fences or walls not to exceed six and one-half (6½) feet in height, may be permitted on the lot line beyond the rear perimeter wall of the house where indicated by the builder's particular model plans and as shown on those original house plans.

All other fences or walls not to exceed thirty (30) inches in height, may be permitted subject to the following:

No fences shall be built beyond twenty (20) feet of the perimeter of the rear of the unit. No fences shall be built in front of the front perimeter of any house.

Any fence, wall, or structure must be approved by the Architectural Review Committee of the Association, which shall have the discretion to consider and approve variances and/or require variances in such color and/or material and/or height as may from time to time be so determined by the said Association Board, to be in the best interest of the overall development.

SECTION 8. No radio, television, and other antennas of every kind or nature, clotheslines, or garden sheds shall be placed or maintained upon the lots.

SECTION 9. No sign (other than a name and address sign, not exceeding 9" x 30" in size) of any nature whatsoever shall be permitted on any lot; provided, however, that one sign of not more than five (5) square feet may be temporarily erected or placed on a lot for the purpose of advertising the property for sale or rent; and provided further, that during the construction and sale of buildings, the builder may erect such signs as are approved (prior to erection) by MANOR ESTATES HOME OWNERS ASSOCIATION, and provided further, that this restriction shall not apply to the activities of the Association in furtherance of its powers and purposes as herein set forth.

SECTION 10. No trucks, buses, trailers, boats, campers, etc. (other than passenger automobiles) shall be permitted on any lot in any year without prior written approval each year from MANOR ESTATES HOME OWNERS ASSOCIATION with respect to the manner of screening or concealing the same from view of neighboring property and streets.

SECTION 11. None of the lots shall be resubdivided into smaller lots or conveyed or encumbered in less than the full original dimensions shown on the plat of this subdivision. Nothing herein shall prevent the dedication or conveyance of or granting of easements over portions of lots for public utilities or other public or quasi-public purposes, in which event the remaining portion of any such lot shall, for the purpose of these restrictions, be considered as a whole lot.

SECTION 12. The common elements shall remain undivided, and shall at all times be owned by the Association, or its successors, it being agreed that this restriction is

necessary in order to preserve the rights of the owners with respect to the operation and management of the common elements.

## ARTICLE XII

### EASEMENTS

(a) There is hereby created a blanket easement upon, across, over, and under the above-described premises for ingress, egress, installation, replacing, repairing, and maintaining all utility and service lines and systems, including, but not limited to, water, sewers, gas, telephones, electricity, television cable or communication lines and systems, inc.; and for maintenance of lawns and/or plants and shrubs located between the perimeter of walls and the lot line, provided this area is not fenced or walled and provided the area is to be maintained by the Association. By virtue of this easement, it shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment on said property and (subject to the requirements of ARTICLE XI, Section 5) to affix and maintain wires, circuits, and conduits on, in, and under the roofs and exterior walls of said houses. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utilities or service lines may be installed or relocated on said premises except as initially located on the plot or thereafter approved by the Association's Board of Directors. This easement shall in no way affect any other recorded easements on said premises.

(b) Each lot shall be subject to an easement for encroachments created by construction, settling, overhangs, fireplace perimeter walls, footings, architectural projections (such as pilasters, masonry sills, beam ends, etc.) as designed or constructed by the original builder. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the structure is partially or totally destroyed and then rebuilt, the owners of lots agree that minor encroachments of parts of the adjacent houses due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

## ARTICLE XIII

### RIGHTS AND DUTIES OF FIRST MORTGAGEE

Notwithstanding and prevailing over any other provisions of this Declaration, of the Association's Articles of Incorporation or Bylaws, or any rules, regulations of management

agreements, the following provisions shall apply to and benefit each holder of a first mortgage upon a house unit (called the first mortgagee):

- (a) The first mortgagee shall not in any case or manner be personally liable for the payment of any assessment or charge, nor for the observance or performance of any covenant, restriction, regulation, rule, Association Articles of Incorporation or Bylaws, Management Agreement, except for those matters which are enforceable by injunctive or other equitable actions, nor requiring the payment of money, except as hereinafter provided.
- (b) During the pendency of any proceedings to foreclose the first mortgage, including any period of redemption, the first mortgagee (or any receiver appointed in such action) may, but need not, exercise any or all rights and privileges of the owner of the mortgaged house, including, but not limited to, the right to vote as a member of the Association to the exclusion of the owner's exercise of such rights and privileges.
- (c) At such time as the first mortgagee shall become record owner of a lot, said first mortgagee shall be subject to all of the terms and conditions of these covenants, conditions and restrictions, including but not limited the obligation to pay for all assessments and charges accruing thereafter, in the same manner as any owner.
- (d) The first mortgagee, or any other party acquiring title to a mortgaged house unit through foreclosure suit or through any equivalent proceedings as such, but not limited to, the taking of a deed in lieu of foreclosure, shall acquire title to the mortgaged house unit free and clear of any lien authorized by or arising out of any of the provisions of this Declaration which secures the payment of any assessment for charges accrued prior to the final conclusion of any such foreclosure suit or equivalent proceeding, including the expiration date of any period of redemption, except as follows: Any such unpaid assessment against the house unit foreclosed against may be treated as an expense common to all of the house units, which expense may be collected by a pro rata assessment against the remaining unenclosed upon units, and which pro rata assessment may be enforced as a lien against each house unit in the manner provided for other assessments authorized in this Declaration. Any such unpaid assessment shall nevertheless continue to exist as the personal obligation of the defaulting owner of the respective house unit to the Association, and the Board of Directors shall use reasonable efforts to collect the same from the owner even after he is no longer a member of the Association. There shall be a lien upon the interests of the first mortgagee or other party which acquires title to a mortgaged unit by foreclosure suit or by equivalent procedures for all assessments authorized by this Declaration which accrue and are assessed after the date the acquirer has acquired title to the unit free and clear of any right of redemption.

#### ARTICLE XIV

#### GENERAL PROVISIONS

SECTION 1. Binding Effect and Enforcement. The covenants, conditions, charges, liens, reservations, easements and restrictions contained herein shall run with the land and shall be binding upon all persons purchasing, owning, leasing, subleasing, occupying, or otherwise having any interest in any lot on said property, their heirs, executors, administrators, successors, grantees, and assigns. After the date on which this instrument

has been recorded, these restrictions may be enforced by any one or more of the following:

(a) The Association or its Board of Directors, which shall have the right and duty to enforce the same and expend Association moneys in pursuance thereof; (b) The owner or owners of any lot, hereafter having jurisdiction of any nature whatsoever over or with respect to all or any part of the premises. Any person who acquires title to a lot, except through delivery of a sheriff's deed as a result of a foreclosure proceeding or by a deed of lieu of foreclosure, shall take title to such lot subject to the lien hereof for all charges pursuant to ARTICLES IV and IX that have accrued prior to such acquisition of title, and subject to the lien hereof for all said charges that shall accrue subsequent to the date said person takes title; and provided also, that the breach of any of said restrictions may be enjoined, abated or reviewed by appropriate proceedings, notwithstanding the lien or existence of any such mortgage. The personal obligation to pay the annual and special assessments as provided in ARTICLE IV, Section 2, of this instrument shall not pass to a successor in title unless the obligation is expressly assumed by the successor in title or unless, prior to such transfer of title as evidenced by the records of the County Clerk or other appropriate government agency, a lien for such assessments shall have been filed in writing with the County Clerk or other appropriate governmental agency. All instruments of conveyance of any interest of all or any part of said lots may contain the restrictions herein by reference to this instrument. However, the terms and conditions of this instrument shall be binding upon all persons affected by its terms, regardless of whether any reference is made to this instrument in the deed or other instrument of conveyance. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants either to restrain violation or to recover damages. In the event the Association employs an attorney, or attorneys, to enforce said lien or the collection of any amounts due pursuant to this Declaration, or to enforce compliance with or specific performance of the terms and conditions of this Declaration the owner, owners, and parties against whom the action is brought shall pay all attorney's fees and costs thereby incurred by any such enforcing party prevailing in any such action. Nothing herein shall be deemed to indicate that damages at law constitute an adequate remedy for violation of a restriction herein.

SECTION 2. Waiver or Abandonment. The waiver of, or failure to enforce, any breach or violation of such restrictions. The foregoing shall apply regardless of whether any

person affected hereby (or having the right to enforce these restrictions) had knowledge of the breach of violation. No restriction contained herein shall be deemed to have been waived or abandoned unless this Declaration is amended to delete such restriction pursuant to ARTICLE XIV, Section 7.

SECTION 3. Equal Treatment of Owners. These restrictions shall be applied to all owners without discrimination.

SECTION 4. Severability. The invalidity of any one or more phrases, sentences, clauses, paragraphs, or sections hereof shall not affect the remaining portions of this instrument or any part thereof, all of which are inserted conditionally on their being held valid in law, and in the event that one or more of the phrases, sentences, clauses, paragraphs or sections contained therein should be invalid or should operate to render this agreement invalid, this agreement shall be construed as if such invalid phrase or phrases, sentence or sentences, clause or clauses, paragraph or paragraphs, or section or sections had not been inserted.

SECTION 5. Gender. The singular, wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, shall in all cases be assumed as though in each case fully expressed.

SECTION 6. Topical Headings. The marginal or topical headings of the paragraphs contained in this Declaration are for convenience only and do not define, limit or construe the contents of the paragraphs or of this Declaration.

SECTION 7. Amendment. These restrictions shall remain in full force and effect, unless revoked or amended by a Supplementary Declaration executed and acknowledged by DECLARANT before any sales to an owner other than a builder or contractor (held for resale) or after sales to any owner other than a builder or contractor (held for resale) by an amendment in writing, executed and acknowledged by the then owners of not less than three-fourths (3/4) of the lots in the premises which said instrument shall be recorded in the office of the County Clerk of Campbell County, Wyoming.

WHEREAS, Lots 2A, 4A, and 5A of Block 3 of Manor Estates Phase I, owned by B&M Properties, LLC (hereinafter referred to as the "B&M Lots"), presently do not have any structures or improvements upon the same, and it has been proposed that the B&M Lots may be utilized in order to construct a parking lot and related improvements thus requiring a modification of the Declaration of Covenants as modified by the First Amendment;

1

Second Amendment To Declaration Of Covenants, Conditions,  
And Restrictions Of Manor Estates

Covenants, as modified by the First Amendment, with respect to Lot 1A of Block 3 of Manor Estates Phase I;

WHEREAS, each of the undersigned are Members of the Manor Estates Homeowners Association as identified within the Declaration of Covenants, and each are the record Owners of the Lots entitled to vote on matters within Manor Estates Phase I of Campbell County, Wyoming;

WHEREAS, the Members of the Manor Estates Homeowners Association and the Owners of all of the Lots within said Homeowners Association possessing the right to vote on all matters affecting all Lots, including but not limited to Lots 1A, 2A, 4A, and 5A, Block 3, have, with the requisite number of votes, agreed upon and do hereby execute this Second Amendment to the Declaration of Covenants of Manor Estates Phase I.

NOW, THEREFORE, IT IS AGREED that with respect to the improvements to be placed upon Lots 2A, 4A, and 5A, Block 3 of Manor Estates Phase I (the B&M Lots), the improvements which have been constructed upon Lot 1A of Block 3 of Manor Estates Phase I (hereinafter referred to as the "Gardner Lot"), and the construction of out buildings upon all Lots within Manor Estates Phase I, the following Amendments, hereinafter constituting and referred to as the "Second Amendment", to the Declaration of Covenants and First Amendment are hereby adopted and filed of record with the Clerk of Campbell County, Wyoming by the owners of all Lots within Manor Estates Phase I Subdivision:

1. All terms and provisions of the Declaration of Covenants and the First Amendment to Manor Estates Phase I are hereby amended to provide that Lots 2A, 4A, and 5A of Block 3 of Manor Estates Phase I may be utilized and improvements constructed thereon for purposes of improving the same to become a parking lot. The use of the aforementioned B&M Lots may include, but is not limited to, parking for business and commercial purposes for the benefit of Lot 4C of the West Valley Subdivision in Gillette, Wyoming which is not a part of Manor Estates Phase I. Provided the B&M Lots are utilized for the construction of an improved parking lot, the Declaration of Covenants and First Amendment shall not require the Owners of such lots to construct a residential dwelling unit, "house", or other similar structure. The construction of an improved parking lot or lots shall be deemed to be a permitted use and permitted improvement to said Lots. In the event a house or improvements other than a parking lot(s) is to be constructed on Lots 2A, 4A, and 5A of Block 3, the Owner(s) of said Lots shall be required to comply with all of the terms and provisions of the Declaration of Covenants as amended by the First Amendment.

2. The Owner(s) of the B&M Lots shall, prior to the construction of any parking lot and improvements upon the same, submit the plans and specifications for review and approval by the Architectural Review Committee of Manor Estates Phase I. Construction of the parking lot(s) and improvements shall be completed in general conformity with the plans and specifications as are approved by the Architectural Review Committee.

3. Provided Lots 2A, 4A, and 5A of Block 3 of Manor Estates Phase I are utilized for an improved parking lot or lots, the Manor Estates Homeowners Association and its successors and assigns shall not be required to maintain the aforementioned B&M Lots, including but not limited to the landscaping and groundskeeping of the aforementioned B&M Lots. The Owner(s) of said Lots shall be required to perform all maintenance and landscaping, and shall be solely responsible for the maintenance of said Lots and all improvements made to the same. The Owner(s) of the Lot shall be responsible for maintaining the shed.

10. 1. The Members hereby revoke Article VII in its entirety and replace the same with the following:

**ARTICLE VII  
EXTERIOR MAINTENANCE**

Section (1)(a). The Association, or its duly delegated representative, shall maintain and otherwise manage the landscaping, parking areas, common elements, and such additional maintenance as the Board of Directors shall from time to time determine to be in the best interest of the Association and the co-owners. Lawn and/or plants and shrubs that were installed by the developer or subsequently by the Association between the lot line and the house shall be maintained by the Association, provided the yard is not enclosed with an approved fence. Maintenance and repair of the exterior of the individual house units, including, without limitation, roofs, gutters, siding, doors, windows, and garage doors shall be the individual obligation and expense of each owner of the lot then requiring any such maintenance or repair.

Section (1)(b). In the event that the need for maintenance or repair to the landscaping, parking areas, common elements, or additional features added by the Board of Directors as part of the common area is caused through the willful or negligent act of the owner, their family, guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such lot is subject.

2. The Members hereby amend Article X to add a second paragraph thereunder as follows:

In addition to the above power of the Board of Directors to obtain insurance, each owner must provide to the Association proof of insurance for their respective individual house unit. The Board of Directors may, from time to time but not unreasonably, require updated proof of insurance and may, from time to time, but not unreasonably, require that the insurance coverage be increased.

IN WITNESS WHEREOF, this Third Amendment to the Declaration of Covenants, Conditions, and Restrictions of Manor Estates Phase I has been adopted by unanimous consent of the Members of the Homeowners Association and the Owners of the Lots within Manor Estates Phase I.
